Case No. 2005-00057

Dear Ms. O'Donnell:

Please file the attached original of the responses of Atmos Energy Corporation to the Attorney General's Initial Data Request. Responses 56, 59, 63, and 85 have not been completed, but will be filed as soon as available, possibly tomorrow, May 16th. In addition to the original paper copy, an electronic copy of **all** responses is being served by e-mail on all parties today, pursuant to the Commission's procedural order. In compliance with paragraph 2(c) of the procedural order, the affidavits of each witness providing responses are attached.

Due to unexpected delays getting copies from the printing company, only the original paper copy is being filed with the Commission and one paper copy filed with the Attorney General. The four remaining paper copies of the responses, including the unavailable items, will be filed with the Commission tomorrow, May 16th. A motion for extension of time is being filed as well.

Items 6 and 84 of the Attorney General's requests seek confidential information and are being filed on a disk with a motion for confidentiality. Pending the Commission's ruling on the motion and the receipt of an executed confidentiality agreement from the Attorney General, this response will be provided to the Attorney General.

A copy of this letter and the filed responses has been delivered to the Attorney General's Office of Rate Intervention.

Very truly yours,

John N. Hughes
Attorney for Atmos Energy
Corporation
